2024 THIRD QUARTER MINISTRY IMPACT REPORT

Letter from Our President

It was 2000 A.D.

Millions will remember it as the Y2K scare and, of course, the dawn of a new millennium. For me, it was the humble advent of a ministry that would eventually become my life's calling. This was the year that the board of an association of 1,300 churches needed a "national spokesman." They approached the elders of Arcade Church in Sacramento, California (where I served as a Sr. Pastor) to see if I could devote a quarter of my time to serving these churches

by speaking at all the annual regional pastor's gatherings, and their national gathering. They requested that I provide some leadership and fresh resources to the pastors of these churches across the US. Our elders graciously commissioned me to accept this role for the next 12 Months.

It was a year of REDEMPTION - As I ministered to hundreds of pastors nationwide, my heart was drawn to speak about some of my most excruciating days in ministry and the power of supernatural joy and hope to press on in our calling. That year, it became clear that as we trust God, our pain progresses from an open wound to a tender scab to an empowering scar. God redeemed the lessons from my darkest days to minister to the deep struggles of other pastors.

It was a year of RECOGNITION - During that same time, pastors around the country were hearing of the many advancements of Scripture-fed, Spirit-led, worship-based prayer that we had experienced at the church. They began showing up unannounced at some of our prayer gatherings. Recognizing their hunger, we organized an annual conference called "Imagine What God Could Do." Hundreds came from across the US each year. As we witnessed the great eagerness in the hearts of church leaders to experience transforming prayer (that they had not learned in seminary), we sensed an amazing opportunity to serve churches by helping them become a "house of prayer for all nations."

It was a year of REALIZATION - At the same time, pastors began to request resources. (Do you remember old-school cassette tapes?) Needing a way to

facilitate their interest, we incorporated a non-profit called Strategic Renewal International (SRI). It was a big name for a tiny operation. But soon, the demand grew and we began to realize that the Lord was up to something.

As the ministry expanded, the SRI board brought in a wise consultant who concluded that I either needed to step away from pastoring and go full-time with SRI or vice versa. Finally, in 2007, Rosemary and I sensed the moment. We had the faith to “jump off the cliff without a parachute”, trusting God to provide and guide us in this new adventure of serving pastors and congregations in the urgent, biblical priority of catalyzing praying churches across our land.

Looking back over these 25 years, we are overwhelmed by the Lord’s goodness. He has brought countless blessings to our ministry through our godly board members, devoted staff, and generous supporters. Through The 6:4 Fellowship, we are resourcing pastors in over 60 countries. Last year alone, I had the joy of personally training thousands of church planters. Through our 6:3 Discipleship efforts, we are coaching individuals and serving congregations so that the “person in the pew” can support their church leaders. Our resources are being translated and distributed in languages across the globe. God has done so many amazing things, and we feel we are just getting started. I hope you will join us as we prepare to celebrate “25 years in 2025” and trust the Lord for the next chapter of Christ-honoring, gospel-advancing impact.

In Christ,

Daniel Henderson

President, Strategic Renewal

Thank You

SUPPORTING PASTORAL RESILIENCE

Thanks to the generosity of a few ministry partners, we set up a dollar-for-dollar matching campaign. With your prayers and support, we met our goal! The funds from the 6:7 Day Campaign will give pastors health and hope to thrive in their ministries.

On June 7th, we kicked off our campaign by raising 40% of our goal, and by the end of June, we were fully funded! These funds will enable us to

connect with pastors at various levels, support our coaching cohorts, and sponsor retreats for pastor couples in need of rest and renewal. Additionally, this support helps expand the impact of our annual gathering in March 2025, where we will experience life-changing moments together right outside of Atlanta, Georgia. Please continue to pray for the impact Strategic Renewal will have for the glory of Christ and His Church.

CHURCH IN CRISIS / 2000

Strategic Renewal was implemented out of the overflow of Daniel Henderson's pastoral ministry in the local church.

FANNING THE FLAMES / 2007

God turned a growing passion into a life calling for Daniel Henderson. Daniel's church sent him out as a "missionary" to ignite fires of revival in churches across the country.

MULTIPLYING THE MOVEMENT / 2010

The 6:4 Fellowship is chartered. With a collection of 50 pastors from around the country, Daniel began a pastoral fellowship centered around the supreme priorities of the early church leaders, "But we must give ourselves to prayer and to the ministry of the word" (Acts 6:4).

GROWING NEW GENERATIONS / 2024

Today, Strategic Renewal, The 6:4 Fellowship, as well as The 6:3 Discipleship have added a focus point to the ministry work already being done. The reality of new generations arising, calls for a new generation of church leaders who will make the first old thing the next new thing, and who will devote themselves and "their" disciples back to the pattern we see in Acts 6... the pattern we like to describe as $6:4 + 6:3 = 6:7$.

"As a 'layman' I wanted to be successful in helping the church... I asked God what [can I do]... He said cover your pastor, intercede for him, come alongside him... and that's what Strategic Renewal does...."

- JIM MAXIM, STRATEGIC RENEWAL BOARD CHAIRMAN

"The 6:4 Fellowship is the most important calling for every pastor, especially right now."

- VANCE PITMAN, PRESIDENT OF SEND NETWORK

"It has changed my focus, and my prayers now include the hope that ... when the Lord returns, He will find us faithfully on our knees in worship-based prayer!"

- KATHY BAY, TRANSFORMING PRAYER SEMINAR PARTICIPANT

The 6:4 Pastor

DENNIS HENDERSON
6:4 NATIONAL DIRECTOR

The 6:4 Fellowship is thriving this year, with three significant objectives set: enlist 1,000 new members, create an engagement path, and encourage monthly investments from churches.

The Regional Directors' use of a new software tool has enhanced personal engagement with new members, leading to increased participation in weekly Zoom prayer calls and our largest Global Symposium with nearly 200 attendees!

Our Regional Directors have continued to lead prayer summits, scheduled Reclaim luncheons, and assisted in our Praying Leader Coaching Groups and Transforming Weekends. As the North American Director, I am encouraged to see the growing work of our Regional Directors and Regional Catalysts. Their work assures me of continued impact for praying churches.

PASTORS COMMITTED TO PRAYER-AND-WORD-POWERED MINISTRY

"I became a Regional Director in February of 2022. Since that time God has blessed me with many opportunities to meet pastors and leaders from across our region, the nation and the world. At the International Conference

in Calgary last June, I met a pastor who came all the way from India. It can be easy to fail to realize the scope of the impact that the 6:4 is having. What a joy to fellowship with this brother, to encourage each other and pray together. Only in 6:4 could an encounter like this have taken place. God is truly using The 6:4 Fellowship and I count it a blessing to be a small part of it."

REGIONAL DIRECTOR, NORTH MIDWEST REGION

The 6:3 Disciple

JUSTIN JEPPESEN
6:3 NATIONAL DIRECTOR

"Since being introduced to The 6:3 Discipleship, as a church and individually, it has changed the way we have viewed Bible reading, prayer, and fellowship. We have grown not only in intimacy with God, but intimacy with one another. It has also ignited a passion within us to relate and to unite with other pastors in our city." - **PASTOR SCOTT GIBSON, THE BRIDGE MINISTRIES**

These words reflect a taste of the impact the Lord is allowing us to have with The 6:3 Discipleship this year. After completing one round of all four of our Guidepost Series coaching groups, disciples from across North America and beyond are growing in "good reputation," and "being full of the Spirit and wisdom" (Acts 6:3).

Additionally, we have had three Renewal Coaches in churches equipping the saints in worship-based prayer, and have several other events planned for later this year and early 2025. Lastly, in partnership with The 6:4 Fellowship, we have recruited approximately 40 young seminarians and church planters to participate in our next Prayer Immersion hosted at the Brooklyn Tabernacle. Thank you so much for your prayers and partnership to strengthen the Church!

PURSUING SPIRIT-POWERED CHARACTER AND SERVICE

As a Renewal Coach, walking with a body of believers as they develop as praying people in praying churches is one of my greatest joys. In 2023, I served a church in NW Arkansas during a Transforming Prayer weekend. As we shared the components of Scripture-fed, Spirit-led prayer, I watched these believers develop the language of prayer. They revered God in prayer, expressing Spirit-led responses to who God is. I witnessed the Holy Spirit use God's word to deepen individuals commitment to apply it to daily life. It was not merely an emotional experience, though emotions flowed, but a knitting of hearts together for the kingdom's cause. I rejoice in those friendships that transformed me from a "leader" to a fellow "pray-er."

An International Fellowship

LEN CROWLEY

6:4 INTERNATIONAL DIRECTOR

Our international expansion efforts have focused significantly on translating our resources. We recently printed 5,000 copies each of “Praying the Psalms” in Russian and Ukrainian, which were gratefully received despite regional conflict. Additionally, 2,000 copies of “Praying the Psalms” in Spanish have been distributed to pastors in Mexico, Central America, and the US. We’ve also partnered with The Masters Academy International (TMAI) to translate key 6:4/SR works into multiple languages for their global Bible training schools, emphasizing prayer and ministry devotion. We are excited to see God using these resources for his glory!

RÉGION DE AMÉRICA LATINA!

The Latin America Region is thriving! Under the leadership of Pastor Kike Torres, we’ve seen remarkable growth, from planting churches to hosting prayer gatherings. The Lord is moving powerfully within the congregation and beyond. Through the emphasis on worship-based-prayer, the unty of the Latin America Region has flourished!

UPDATE ON THE QUEBEC REGION!

Sylvio Janelle, Pastor in Saint-Georges and 6:4 Director of the Quebec Region

The 6:4 Fellowship now has a French Membership! This membership will be hosted in a region we are calling Quebec. Functioning as an additional Region, until it grows into a national presence, the Quebec Region will include French speaking pastors across the Americas. This region will also be conducted completely in French, both on the web and by its Director Sylvio Janelle. Coaching

Sessions For The 6:4 Pastor

THE PRAYING LEADER COACHING

"I've spent time in various cohorts and I would put this at the top. From the content to the ease of accessing the required study material, this was excellent. Thank you for giving us access to men who know what they are talking about. Then to be taught about prayer through live interaction, that was priceless. Thank you for your investment in my life and our young church. You challenged me and your writing changed my perspective on prayer. Daniel, you are an excellent teacher and facilitator."

- **JONATHAN JOHNSON**, THE PRAYING LEADER COHORT PARTICIPANT

Sessions For The 6:3 Disciple

GUIDEPOST COACHING SESSIONS

The 6:3 Discipleship facilitated three of our Guideposts in the coaching series last quarter. Two full groups began Transforming Prayer on April 17th, three groups participated in our Transforming Presence Coaching which started on May 15th, and one group completed Transforming Wisdom on June 5th. The participants were eager to move forward in the Discipleship by Design program, aiming to become 6:3 Disciples and help others do the same.

"My desire was and is to have a closer relationship with our Heavenly Father. Although I study the Bible and pray often, I somehow felt that I may be praying wrong. The coaching classes taught me so much and I learned so much that when I tried to explain how I felt on the last day of class, all I could do was cry. I learned that during my quiet time with my Heavenly Father, I could offer song and praise, thank Him for what He does, what He has done, intercede and lay my request before Him."

- **TINA RENAE THOMAS**, TRANSFORMING PRAYER COACHING PARTICIPANT

Finding Your Footing When the World is Sliding Away

How do we build a meaningful life and legacy when our lives feel fragile and our future uncertain? With a pastoral heart, Daniel Henderson looks to Psalm 15, where David, late in his years, sought to make sense of difficult times. David experienced loss and pain, some from his own past actions, but found stability in intimacy with God and personal integrity. He was assured of God's promise of security. In *Never Shaken*, Henderson relates David's struggles to our own and shows how to build our lives on the gospel of Jesus Christ, finding true worship and God's presence through Christ in us.

Also available is an audiobook version of *Never Shaken*, along with a 5 day YouVersion study to go along with your favorite book!
